## LIST OF MATERIALS AND BRANDS THAT WE NORMALLY SUPPLY ELENCO MATERIALE DI ABITUALE FORNITURA

Limit switches for automation , security modules , photoelectric, inductive sensors, modular material, clamps, switches, PLC, inverter, brushless motors and drives,etc..

Plc, keyboards, drives, brushless motors and drives, encoders , limit switches, photoelectric, fiber optic switches, regulators temperature controllers, etc..

All items and spare parts for industrial automation and drive technologies

Encoders of all types , systems for reading bar codes etc..

Structural work: enclosures and cabinets , junction boxes etc..

Air conditioners for cabinets , chillers, heat exchangers, air/ air and air/water

**ALLENBRADLEY:** Inverters, plc, soft start, photocells

Self-priming centrifugal pumps for liquids with solids in suspension from 1½” to 12”, and positive displacement pumps for liquids of all viscosities from ½” to 10”.

Brakes , Thrusters , emergency Calipers , Buffers

## LIST OF MATERIALS AND BRANDS THAT WE NORMALLY SUPPLY ELENCO MATERIALE DI ABITUALE FORNITURA

Pneumatic rotary actuators

Valves and accessories

Pumps , valves and accessories

Air compressor systems, plants and accessories

Hydraulic , lubrication and process filters

Magnets for lifting system

Actuators and valves

Lesco Srl  
Via Secondaria Stazione,17

## LIST OF MATERIALS AND BRANDS THAT WE NORMALLY SUPPLY ELENCO MATERIALE DI ABITUALE FORNITURA

Hoses and fittings

Tools for turning, milling, drilling and cutting threads

Motors

Motors

Weighing systems

Up to customer joints and shafts

Ultrasonic flow meters for liquid

Bearings of all types

Lesco Srl  
Via Secondaria Stazione,17

## LIST OF MATERIALS AND BRANDS THAT WE NORMALLY SUPPLY ELENCO MATERIALE DI ABITUALE FORNITURA

### **MODULOC**

*Control Systems*

Digital hot metal detectors

Gas Analyzers

Transducers for Industry applications

Instant instruments

### **EMERSON**

Process management , control valves , actuators positioners

Clutch - Brake units

atos<sup>®</sup>

**Rexroth**  
Bosch Group

Valves of all types

Digital Automation Technologies

### **WE ALSO SUPPLY WITH:**

- Cold roll forming plants for steel profiles
- Machining parts made up to customer design
- Machines for maintenance workshops
- Complete Over Head Cranes , parts and services
- Electrical cables
